

**Highway Contracts for FY 2017 - Spring/Summer July 1, 2016 through June 30, 2017  
Includes Winter Sand, Salt and Liquid contracts Oct.1-Sept 30**

**Base Price for Asphalt (Hot Mix, Stone Seal, Liquid) is \$385/ton (March, 2016 price) Base Price Diesel \$1.478/gal (HMA only)**

These prices are firm for all DELIVERED or APPLIED Products. For PICKED-UP PRODUCTS, all Participants in that bid may pick up at any location that meets their need taking into consideration price, suitability of product, and driver time and travel costs. Listed here are the vendors chosen by the Hwy Supts as most likely to be used. Detail sheets are attached for picked up products and for products with many different unit prices.

NEW FOR FY2017. FOR ALL CONSTRUCTION/SERVICE CONTRACTS (H-8 THROUGH H-20) and ROAD SALT (W-2), THERE IS A PRIMARY CONTRACT AND A SECONDARY CONTRACT. The Secondary contract is in *ITALICS*. You may use the *Secondary* contract if you make a good faith effort to contact the low price Primary contractor and they cannot schedule your work in a reasonably timely fashion. You should DOCUMENT the Notice to the Primary Vendor - preferably in an EMAIL. I have included a New Column this year for an EMAIL CONTACT for the company. Secondary contracts should not be used to circumvent the Low Responsible Bid Process we have to follow under MGL Ch 30, §39M.
