

**Highway Contracts for FY 2018 - Spring/Summer July 1, 2017 through June 30, 2018
DOES NOT INCLUDE Winter Sand, Salt and Liquid contracts Oct.1-Sept 30**

Base Price for Asphalt (Hot Mix, Stone Seal, Liquid) is \$397.50/ton (March, 2017 price) Base Price Diesel \$2.089/gal (HMA only)

These prices are firm for all DELIVERED or APPLIED Products. For PICKED-UP PRODUCTS, all Participants in that bid may pick up at any location that meets their need taking into consideration price, suitability of product, and driver time and travel costs. Listed here are the vendors chosen by the Hwy Supts as most likely to be used. Detail sheets are attached for picked up products and for products with many different unit prices.

REGARDING PRIMARY/SECONDARY CONTRACTS: FOR ALL CONSTRUCTION/SERVICE CONTRACTS (Sweeping and H-8 THROUGH H-21) and ROAD SALT (W-2), THERE IS A PRIMARY CONTRACT AND A SECONDARY CONTRACT when there were at least two responsible bidders. The Secondary contract is in *ITALICS*. You may use the *Secondary* contract if you make a good faith effort to contact the low price Primary contractor and they cannot schedule your work in a reasonably timely fashion. You should DOCUMENT the Notice to the Primary Vendor - preferably in an EMAIL. I have included a New Column this year for an EMAIL CONTACT for the company. Secondary contracts should not be used to circumvent the Low Responsible Bid Process we have to follow under MGL Ch 30, §39M. NEW IN FY18: All of our contracts are in digital format, you will be emailed a complete copy of the Contract Document with the Insurance Certificate. It is YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE CONTRACTS for the work you are contracting.
