

Activations

- Authorized by the Emergency Management Team
- Activations range from courtesy notification to full activation of agencies with call-back of off-duty personnel
- Include the activation of the EOC
 - Notify MEMA through WebEOC and through the MEMA regional office
- Activation should be done as soon as possible, based on complexity and type of incident

Declarations of Emergency

- Permits communities to take necessary actions to protect the health and safety of persons or property and incur financial liabilities in excess of existing appropriations
- Declarations certify the incident to be too great for the resources of the community
- Declarations by:
 - The Governor
 - Chief Municipal Officer
- Must be communicated to MEMA as soon as possible
