# Local Volunteers Needed for COVID-19 Vaccination Clinics

**Medical professionals and non-medical support staff needed for COVID-19 vaccination clinics across Franklin County.**

## **Step 1 Registration**

- Register at [MAResponds](#)  
NOTE: After creating your log-in credentials (user name and password), affiliate with the Franklin MRC in the “Add Organizations Region Map” ***not*** the COVID Response Team option.
- Complete your profile: Identity, Deployment Preferences, Contact, Occupations, Training, Skills and Certifications, and Background Check

## **Step 2 Background Check**

- A pre-populated version of the CORI for may be created in the *Background Check* tab. Click Edit *Background Check Form* (middle left in blue) and complete all fields. Click *Open Pre-Populated Form* to download.
- Email a digital picture or scan of your CORI form and a digital picture or scan of the front and back of your driver’s license or government ID to ([lsolomon@frcog.org](mailto:lsolomon@frcog.org)). \*Notary NOT needed

## **Step 3 Training**

- Franklin County MRC volunteers must complete two short online trainings and record them in their MA Responds profile. NOTE: Find trainings [HERE](#).

## **Step 4 Badge**

- Send a headshot to Lauri Solomon for your MRC Volunteer badge.

If you have questions or need help, please email:
