

Village of Shelburne Falls Rapid Recovery Plan 2nd Community Meeting

Wed., August 25, 2021

5:00 pm

Join us on Zoom!*

A plan is in the final stages of development to help the Village Center of Shelburne Falls recover from the economic impacts of the COVID-19 pandemic. Over the last few months, a survey of study area businesses was conducted, demographic data collected, and public meetings held to identify and develop ten priority projects. This 2nd Community Meeting will review the draft plan and the recommended next steps for the priority projects identified during public meetings.

Be part of the planning process! Help finalize the Local Rapid Recovery Plan to meet the needs of local businesses and inform future decisions.

**Given recent trends in COVID-19 cases in the region, this meeting will not be held in-person at the Buckland Town Hall and may only be accessed by Zoom online or by phone.*

To participate by Zoom or by phone, please register in advance at:

The Towns of Buckland and Shelburne, with the Greater Shelburne Falls Area Business Association as their community partner, were selected by the MA Department of Housing & Community Development (DHCD) to participate in the new Local Rapid Recovery Planning Program. To support the Towns, DHCD contracted with the Franklin Regional Council of Governments to facilitate the plan's creation.
