

CHIP Health Equity Data Working Group

Meeting Agenda

12-13-2021 10-11:30 AM

Our Task:

Telling the story of COVID in Franklin County/North Quabbin. How and where was the impact of COVID19 felt in our region, and what strengths and challenges did our region have in managing the pandemic? How can we use this data to improve life in our region?

1. Introductions and Icebreaker – All
2. Questions on existing data sources (from the website) – All
3. “So What” Discussion -- List the strengths we saw as a region in managing the pandemic – All
4. Set next meeting date after new American Community Survey Data is out.
