This is a virtual event. A link will be sent to you by email, in advance.

Health Agents, Board of Health Members, and other are invited to learn how to:

- (1) pass a local pre-rental housing inspection regulation
- (2) start and run a program to inspect and certify residential rentals \*before\* the tenants arrive.
- (3) Work with local landlords to avoid problematic and unsafe situations

Examples of regulations, documents, and tools from Massachusetts communities will be shared.

**Featured Speaker:  
Jeff Kennedy, RS  
Health Inspector,  
Williamstown MA**
