### **REQUEST FOR PROPOSALS FOR ENVIRONMENTAL CONSULTING SERVICES IN SUPPORT OF NATURE-BASED RIVER RESTORATION PROJECTS IN THE CONNECTICUT RIVER BASIN - RFP 2023-2105**

#### **ADDENDUM 4 – OCTOBER 13, 2023**

It has come to our attention that there still remains some uncertainty on the allowable rates for Consultants on this project and that the link provided did not provide enough clarity.

The FRCOG will engage with the funder during the week of October 16 to obtain further clarity and plans to issue another Addendum before October 20.

The DUE DATE for the Proposal has been further pushed out to OCTOBER 31, 2023 AT 3PM.

Please be sure to acknowledge these addenda on your Proposal Forms.

FRCOG wishes to thank you for your patience.
