

CHIP 3.0 (2024-2028)

2024 is Year One. As we launch a new cycle, a focus will be on firming up partnerships, workplan and funding and putting systems in place for the five year cycle.

Steering Committee meetings - every other month on the 2nd Thursday, 2-3PM. These will be hybrid meetings at the FRCOG and on Zoom. The remaining 2024 dates are 3/14, 5/9, 7/11, 9/12, and 11/14.

CHIP Network meetings - We will hold regular, scheduled Progress Report meetings a couple times/year where we'll focus on a handful of specific priorities and strategies. These will be public meetings, in person at the Transit Center, and we will record them and/or share the reporting so that people can follow along even if they weren't able to be there in person. Two of these are scheduled for 2024 – Thursday, 4/11 and Thursday, 10/10. Those will be 1-2:30PM.

We expect to hold additional CHIP Network events and CHIP-sponsored events during the year. Those are not scheduled yet.

CHIP newsletters – To complement the Network meetings, we'll publish an e-newsletter 4x/year (Winter, Spring, Summer, and Fall).

Workgroups:

In 2024 CHIP will host two new study groups that will investigate/make recommendations related to the social isolation and personal vehicles priorities. We'll launch these efforts in February.

We'll continue to have a Health Equity Data workgroup that convenes when there's a need or interest. In 2024 they will have new data to consider from the MA Community Health Equity Survey!

We will strategize about converting the Legislative Advocacy list we started in the previous cycle into an action-oriented workgroup.

The Community Supports for Young People workgroup is continuing as a CTC workgroup. That group meets monthly on the 3rd Wednesday, online, from 1:30-2:30.

FRCOG's Small Town Housing Work Group is supported in part by CHIP through the IH2 grant, which ends in June 2025. That group meets bi-monthly, on the first Thursday, 6-7:30PM.
